

Dear visitors!

We bid you a very warm and hearty welcome to SPEZI 2021 on 24 and 25 April 2021!

Planning goes on in the background all year round of course; nevertheless, there still is a long way to go before you will find all the SPEZI 2021 information at this address. However, we hope that you will be able to find all the most important things you need to know.
